The **PURPOSE** of these meetings is to:

- ➡ **Introduce the Communities of Opportunity Initiative to citizens across the CSRA**
- ➡ **Hear from the public as to how the state can work more effectively with local communities.**

Your input is greatly needed. Please make every effort to attend this important town hall meeting. For more information, please contact Matt Bishop with the Fanning Institute, by phone at (706) 542-6201, or send email to mlbishop@uga.edu.
