

The Warren County E911 Communications Center will be updating The Master Street Guide for EMERGENCY PURPOSES. WE ARE NOT CHANGING ANY ADDRESSES. This update will allow us to match a property description with your address. The importance of proper addressing cannot be overstated; during an emergency it could mean the difference between life and death...

The E911 Center needs your help with this important update. We are requesting that all businesses, residential property owners, and renters in the City of Warrenton, Camak, Norwood and the entire community of Warren County submit the following information.

Residential Property;

Name of occupants (Adults only)

Address

Description of property

Landline Telephone numbers

Cellphone Numbers

Business Owners;

Name of Business

Address

Description of property

Business Telephone Numbers

Emergency contact information

The address database will be updated during the period of August 17, 2018 through October 30, 2018...

All information received will be use for 911 purposes only...

Please email your information to; warrencountye911@classicsouth.net

Or mail to; The Warren County E911 Center P.O. Box 46 Warrenton, GA. 30828

For clarification please call; The 911 Director at 706-465-3303
